**Village Garden
Block One
Mother's Favorite**

Mother's Favorite

From fabrics B & D cut 4 – 2" squares
From fabric A cut 8 – 2" squares
From fabric C cut 4 – 2 x 3 ½" rectangles
From your background fabric cut 1 – 3 ½" square

Step 1. Place one A square in each of the corners of your background square. Draw a diagonal line, stitch on the line, trim the bottom 2 layers and press. Repeat for the remaining corners. Make one center unit.

Step 2. Using the same technique, place one B square in the right hand corner of the C rectangle. Draw a diagonal line as shown. Stitch, trim and press. Make 4.

Step 3. Arrange the Step 1 and Step 2 units as pictured above, placing D squares in corners. Stitch together, first in rows, then stitch the rows together to form the completed block.
